

Division Five: Judgement upon the Great Whore (Vatican) and Apollyon's Red Dragon Kingdom

(Updated February 2017)

In terms of structure, this exposition follows the selfsame sequence of The Seven Divisions of 'The Final Word'. Therefore, we are of the opinion that the reader should read 'The Final Word' book (division five) together with this exposition. 'The Final Word' book (inclusive of the Technical Exposition) is available as a free download from our Web Site: www.thefinalword.co.za ©

The beginning of division five is essential data relative to **MYSTERY, BABYLON THE GREAT, and THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH**, who elsewhere is referred to as a Woman riding a scarlet coloured beast.

Division five is also the revealing of our heavenly Father's unbridled wrath upon the Woman — a pseudo global satanic religious system headed by the Pope of the day — commonly known as the Roman Catholic Church, and Apollyon's kingdom. Owing to the success of the Roman Catholic initiated ecumenical movement over many years; by the time of Apollyon's kingdom — all Christian denominations together with some other religious groupings will most likely acknowledge the Pope as the supreme head of this global religious monstrosity!

The seven bowl/vial judgements are sequentially poured out over Apollyon's kingdom, and Vatican City (Mother of Harlots...) as well as Roma — Apollyon's seat (government).

AFTER THIS I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened. **And the seven angels** came out of the temple, having the seven plagues, clothed in pure and white linen, and having across their chests golden bands. **And one of the four living creatures gave unto the seven angels seven golden vials full of the wrath of God**, who lives for ever and ever. And the temple was filled with smoke from the glory of God, and from His power; **and no one was able to enter into the temple, till the seven plagues of the seven angels were fulfilled** (Rev 15: 5-8).

John was given the awesome privilege of beholding the open tabernacle of testimony in heaven. Out of which came seven angels, to which one of the living creatures gave seven bowls filled with the **seven last plagues**. John was told that no one was allowed to enter the temple, till the seven last plagues were fulfilled. This gives an indication of how serious the heavenly realm holds the righteous judgements of our Heavenly Father upon the great whore; and the beast, whom she rides (controls). As we alluded to in division two, it is worth reminding the reader that this self-same *Woman via the Jesuits raised up the likes of German Kaiser Wilhelm (First World War), the communists; Marx, Engels, Trotsky, Lenin and Stalin (communist revolution) to crush the Czar dynasty of Russia; and thereby the Orthodox Church — their arch-enemy! . And some years later, Hitler and Mussolini to do her bidding (Second World War). *The Godfathers, page 12.

Heavenly Indictment

The below scripture is to be viewed as an indictment (legal document) against the Woman, and the prelude to her horrendous physical judgement via the seventh bowl. **Division six** is entirely devoted to the reasons as to why she is so deserving of such judgement; and is further confirmation of the second angel announcement in division four (Rev 14:8) foretelling Babylon the Great's ultimate fall.

And there came one of the seven angels who had the seven bowls, and talked with me, saying unto me: "Come here; **I will show unto you the judgement of the great whore that sits upon many waters; with whom the kings of the earth have committed fornication**

and the inhabitants of the earth have been made drunk with the wine of her fornication” (Rev 17:2).

So he carried me away in the spirit into the wilderness: and I saw a woman sitting upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet colours, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and full of her fornication. And upon her forehead was a name written:

MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration. And the angel said unto me: “Why do you marvel? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads and ten horns. (Rev 17:3-7).

Our Heavenly Father’s Wrath

And I heard a great voice out of the temple saying to the seven angels, **Go your ways, and pour out the vials of the wrath of God upon the earth** (Beast’s Kingdom). Rev 16:1.

And the first angel went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast and upon them which worshipped his image. Rev. 16:2

The earth referred to here is Apollyon’s kingdom and Roma, where Apollyon’s talking statue was erected three and a half years prior to the bowl judgements. We can only imagine that these sores are some type of skin cancer, and are the result of being continually scanned, in order to buy or sell... **Noisome** is an old English word that describes an unpleasant and offensive odour (foul/nauseating stench), whilst grievous is indicative of unbearable (great) pain! (Cambridge Online Dictionary).

And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea. Rev. 16:3

We will recall that in the third division a third of the rivers, waters, and sea were turned to blood. This judgement will turn the remainder of the Mediterranean Sea into blood, and all water sources into blood! The stench from the dead sea-creatures and lack of drinking water will exacerbate an already dire situation!

And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. **For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy.** And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments (Rev. 16:4). **And I heard the angel of the waters say**, Righteous is the Lord, who is, and was, and who will be, because You have judged these things (Rev 16:6), **since they have poured out the blood of the saints and prophets; and You gave them blood to drink, for they were deserving** (Rev 16:7). And I heard another out of the altar saying, Even so, Lord God Almighty, true and righteous are Your judgments (Rev 16:5).

This judgement is specific, in that the inhabitants of Apollyon’s kingdom via the Harlot are guilty of shedding the blood of the saints on a massive scale.

And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. And **men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory** (Rev. 16:8).

By this plague the heat of the sun is supernaturally going to be increased with the purpose of scorching men. In spite of their suffering they will not repent, and instead will curse our heavenly Father.

And the fifth angel poured out his vial upon the **seat of the beast (Roma)**; and his kingdom was full of darkness; and they gnawed their tongues for pain, **And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds** (Rev. 16:10).

We believe this darkness is to be taken literally and the physical pain, their burning tongues and sores are a carry-over from the previous four judgements. The darkness is a prerequisite for the return of the King of Kings.

And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared. And I saw **three** unclean spirits like frogs come out of the **mouth of the dragon (Satan)**, and **out of the mouth of the beast**, and out of the **mouth of the false prophet**. **For they are the spirits of demons, working miracles, which go forth unto the kings of the earth and of the whole world**, together them to the battle of that great day of God Almighty. And He (Satan) gathered them together into a place called in the Hebrew tongue Ha Megiddo (Rev 16:12–14.16).

The author needs to stress the fact that there is no such a thing as the Battle of Armageddon. Folks who say this are spreading pure error. There is no battle at Ha Megiddo (Armageddon) at all! The above text makes it very clear that Satan's army gathers, or congregates at the valley of Megiddo — which is below Mt Megiddo. The Battle is at and for Jerusalem and therefore should be called: The Battle of Jerusalem.

At some point prior to the bowl judgements **Apollyon, the False Prophet, and the ten kings together with their army leave Roma and head for Jerusalem in preparation for the Battle of Jerusalem.**

These will make war with the Lamb, and the Lamb will overcome them. For He is Lord of lords and King of kings. And those with Him *are* the called and elect and faithful ones. Rev 17:14

In Biblical times, the primary nations east of Jerusalem were Babylon and Persia. Today these nations are known as Jordan/Iraq and Iran. Apollyon's kingdom incorporates portions of those countries (as per the Eastern Roman Empire) and does not include the Euphrates. **The primary purpose for the Euphrates drying up becomes apparent in division seven.**

Ten Kings Nuke the Vatican

“And the ten horns which you saw on the beast, these will hate the harlot and will make her desolate and naked. And they will eat her flesh and burn her with fire (Rev 17:16).” The nuking of the Vatican, together with the 7th bowl judgement finally puts paid to Satan's spiritual masterpiece: The Synagogue of Satan — his Bride — the Roman Catholic Church! Satan, the Beast and False Prophet hastily leave Roma and head for Jerusalem prior to the seventh bowl judgement.

And the **seventh angel** poured out his vial into the air; **and there came a great voice out of the temple of**

heaven, from the throne, saying, "It is done!". And there were **voices**, and **thunders**, and **lightnings**; and there was **a great earthquake**, such as was not since men were upon the earth, so mighty an earthquake, and so great. **And the great city was divided into three parts**, and the cities of the nation's fell: **and great Babylon came in remembrance before God**, to give unto her the cup of the ne of the fierceness of His wrath. And every island fled away and the mountains were not found. **And there fell upon men great hail** out of heaven, every stone about the **weight of a talent (50kg): and men blasphemed God** because of the plague of hail; for the plague thereof was exceedingly great.

And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great. And the great city was divided into three parts, and the cities of the nation's fell: and great Babylon came in remembrance before God, to give unto her the cup of the ne of the fierceness of His wrath. And every island fled away and the mountains were not found. And there fell upon men great hail out of heaven, every stone about the weight of a talent (50kg): and men blasphemed God because of the plague of hail; for the plague thereof was exceedingly great.

This massive earthquake splits Roma into three sections, and many, many of the cities of Apollyon's kingdom will collapse from the shockwaves! Owing to the atmospheric changes huge hail stones weighing 50kg's (23lbs) rain down upon the inhabitants of Roma and surrounding cities. The mind boggles at the level of devastation! The world has never experienced anything of this magnitude and calamity before!

Added to mayhem are the effects of the preceding judgements: extremely painful sores, no drinkable water, and extreme heat – throughout Apollyon's kingdom. And amazingly men will refuse to repent! And will curse our beloved Heavenly Father, instead.

N.B. It is possible that the 7th Bowl judgement is a result of the 10 Kings nuking the Vatican as per Rev 17:16: And the ten horns which you saw on the beast, these will hate the harlot and will make her desolate and naked. And they will eat her flesh and burn her with fire.

Summary

Division five is the prophet revelation of our beloved Heavenly Father's unbridled wrath upon: **MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH**; for her role in birthing in the 1st beast (Apollyon) kingdom — which she rides (controls). In addition, the Woman and Apollyon are responsible for the gruesome deaths of countless millions of true Christians and are accountable for their blood. Hence the heavenly court judges her guilty of their collective shed blood, and gives all in Apollyon's kingdom blood to drink in return. We think that the reader/s ought to stand back at this juncture, so to speak, and consider what the inhabitants of Apollyon's kingdom will physical experience. It is thus, because they chose to worship Satan and curse our Heavenly Father:

1. Break out in a type of skin cancer that has a nauseating stench (death) coupled with unbearable pain! Can we even begin to imagine what it is going to be like? The sea and all drinking water will turn to blood, as well as the stench that will arise from the dead sea-creature in the Mediterranean Sea!
2. Sun is going to scorch everyone.
3. Ultimately darkness covers the entire kingdom.
4. 10 kings destroy the Vatican.
5. Ten Kings head to Jerusalem to make war against the returning King of Kings.

Massive earthquake! Never before seen or experienced by the inhabitants of the earth before. The Great City splitting into three parts, as well as massive 50 kg hailstones pelleting the inhabitants! And the collapsing of the surrounding Mediterranean cities. The numbers of humans involved in these catastrophic judgements are millions, upon millions, upon millions. This will be their just reward for worshipping Satan, and for brutally shedding the blood of countless numbers of saints

After the bowl judgements, in terms of events — the emphasis shift to Jerusalem (division seven) in anticipation of the return of the Son of Man in power and might. **Division six** which follows, must be viewed as a 'charge sheet' (indictment) detailing why it is necessary to judge this Harlot system so harshly!
